

Commission-free! Garden apartment with 3 bedrooms in 1230 Vienna!

Property no. **2802**

In the green heart of Mauer, a residential project is being developed that combines Viennese residential culture with contemporary architecture. The ensemble comprises **seven condominiums and a duplex**. Nestled between old trees and well-kept gardens, the project integrates gently into the historic villa surroundings and offers space for all life phases – from the first own home to the spacious family apartment.

The architecture reflects the elegance of the traditional Viennese villa style but interprets it in a modern and functional way. Generous window fronts allow light and greenery to flow into the rooms, while natural materials and clean lines provide timeless aesthetics.

ROOM LAYOUT

Through the entrance hall, you seamlessly enter the spacious living-dining area with an open kitchen and access to the terrace and the large garden of about 199 m². Another corridor leads to the three bedrooms, the bathroom with bathtub, shower, toilet, and double sink, as well as a storage room. A second shower room with toilet completes the space offered.

The highlight of this apartment is the large, private garden.

FEATURES

- **Photovoltaic system** for electricity generation
- **Geothermal/ground heat system** for environmentally friendly heating and cooling
- **Floor and ceiling cooling** for year-round pleasant room climate
- **Underground garage** with prepared connections for e-charging stations (spaces available for purchase depending on availability)
